SECTION 2

Architectural Description

General Architectural Description:

The building at 110 N Aiken St is a two-story church built in 1917, according to the historical marker associated with the property. The property was originally built for religious purposes, and its use remains unchanged. The building has brick exterior walls. The building displays features associated with the Romanesque Revival style, which is identified primarily by its use of round-arched openings. The building has a front-gabled and hipped roof. Porch feature(s) include the following: masonry piers. Landscape feature(s) include the following: steps.
