SECTION 2**Architectural Description****General Architectural Description:**

The resource at 500 Cantrell St is a 1.5-story side-gabled commercial building and a large cylindrical silo capped by a conical-shaped roof. Wood siding composes the exterior materials of the gabled building, while the silo is composed of metal. Windows on the building are double-hung sash, and there is a garage door on one side. A metal staircase spirals around the silo. The building was built in 1950, according to county appraisal district data. The property was originally built for industrial purposes but is now used for other purposes (commercial). It does not have any ornamentation that reflects an architectural style, movement, or tradition.
