Architectural Description

General Architectural Description:

The building at 807 W Marvin Ave is a two-story single-family house built about 1910, as estimated by field personnel based on its physical characteristics. The property was originally built for residential purposes, and its use remains unchanged. The primary exterior material is wood. It displays features associated with the Craftsman movement, which was popularized in magazines and pattern books from the early- to mid-twentieth century. Its footprint presents a square-shaped plan and hipped roof, a distinctive house form of the early twentieth century. The internal chimney is constructed of brick. The windows are double-hung with wood sashes. The single-door primary entrance has a wood doorway and frame. Door feature(s) include the following: sidelights, transoms. Porch feature(s) include the following: tapered wood box columns. Landscape feature(s) include the following: walkways. The only ancillary building on the property is a garage.
